

# JOLLY 17

Professional Single Disc Scrubbing Machine

**Compact. Powerful, Reliable.**

The Jolly 17 is a professional, grade single disc scrubbing machine, designed for deep cleaning, polishing, and maintenance of various floor types, engineered with a high precision planetary gear box and robust construction, it ensures durability, efficiency, and consistent performance.

## Technical Specifications

■ Cleaning Path	430 mm
■ Scrubbing Coverage Rate	300 m <sup>2</sup> /h
■ Brush Pressure	40 kg
■ Solution Tank Capacity	12 – 18 L
■ Brush Speed	150 rpm
■ Sound Level	65 dB
■ System Voltage	230V - 50Hz
■ Brush Motor	1 x 1100W
■ Dimensions (LxWxH)	560 x 350 x 1170 mm
■ Electric Cable Length	15 m
■ Brush Diameter	1 x 430 mm
■ Weight	40 kg

## Key Features

- ✓ High precision planetary gearbox
- ✓ Hardened steel alloy double reduction gear
- ✓ Helical toothed gears for maximum transmission power
- ✓ Low noise operation (65 dB)
- ✓ Strong and stable structure
- ✓ Ergonomic handle design
- ✓ Easy transport wheels
- ✓ Durable solution tank system

## Brush Options (430 mm)

- ✓ Washing Brush
- ✓ Steel Brush
- ✓ Polishing Brush
- ✓ Combination Brush
- ✓ Moquette ✓ Carpet Brush
- ✓ Tynex Brush
