SANITEC
 PETRANOVA

DESCRIPTION	Highly effective alkaline detergent for cleaning natural and artificial stone surfaces with high and low porosity levels.
SPECIFICATIONS	Particularly effective to remove greasy dirt, patinas, crusts, sulphation stains and any kind of surface build-up. Fast acting product. Does not leave unpleasant odours during use.
HOW TO USE AND DOSING	Ready for use. Dust surface and apply the product directly on it with a brush or a sprayer. Clean the surface with a paintbrush, brushes and/or rotary floor scrubbers with suitable bristles. Leave product to act for a few minutes. Rinse with a low-pressure washer or manually with a wet brush.
SPECIFICATION	Appearance: transparent yellow liquid pH: 13,5 +/- 0,5 Specific weight [g/ml]: 1.260 +/- 0.020
USE AND COMPATIBILITY	Uses: natural stone (e.g. travertine, Trani stone, Luserna stone, Lecce stone, slate, sandstone, Carparo stone, porphyry, tuff, Peperino stone, Sperone stone, granite, syenite, marble, etc.), artificial stone surfaces (e.g., exposed bricks, terracotta, clinker, stoneware, cement, cement conglomerates, etc.). Do not use on metals and wood.
USE & STORAGE PRECAUTIONS	Store in original containers. Avoid extreme temperatures. See the safety data sheet for more information on use and disposal.
CHEMICAL COMPOSITION	See the safety data sheet for more information on the product's ingredients
WARNINGS	FOR PROFESSIONAL USE ONLY. The information contained in this Technical Data Sheet, recommendations for use and applications of the product are based on our knowledge and on the tests carried out on the product as of the date of this document. The product may have different applications and operating conditions may vary depending on materials and environmental conditions we are not aware of. Italchimica cannot therefore be held liable for the suitability of the product and the results for your processes, as it does not know the details of your conditions of use. We recommend carrying out small scale tests to confirm suitability. The Company shall not be held liable for incorrect use of its products. Our technical service is at your service to identify the optimal conditions of use for the products.
